## Welcome to Baker, Oregon

**T**HE City of Baker is highly elated over the fact that the next session of the Methodist Conference will be held in Baker in 1923.

The reputation of Baker as a Convention City is well known all over the west and we assure the members of the Conference a pleasant visit in our city. Baker is the most substantial city in the great inter-mountain Country because of its diversity of resources and its invigorating climate, its pure mountain water and its pleasant surroundings. Baker is located in the southern end of the Powder River Valley at an elevation of 3,400 feet with mountain ranges, towering eight to ten thousand feet, surrounding it.

Here you will get a refreshing night's sleep to prepare you for the labors of the day; here you will breathe our invigorating air which will put "pep" into your system and here you will drink the nectar of the gods, pure mountain water from the eternal snowbanks of the Elkhorn Range. Farming, Mining, Lumbering, Livestock and Dairying make up the Five Big Resources of Baker County and which make Baker a prosperous, substantial city. We have a Municipal Natatorium, natural warm water, which is second to none in the Northwest and where you can relax from your duties attending the Conference. Baker is a City of Industry, a City of Homes.

The Old Oregon Trail, the World's Most Historic Highway, passes through Baker, and we have a clean, comfortable, attractive Tourist Camp Grounds where the tourist is well taken care of and given a cordial welcome. We will take pleasure in making you feel at home and if you don't have a good time in Baker, it will be your own fault. Baker Welcomes You.

## REPORTS OF DISTRICT SUPERINTENDENTS

### BOISE DISTRICT

*Wm. M. Ewing, Superintendent*

*To The Brethren of the Idaho Conference:*

The financial conditions, the abundance of crops, the problem of markets, the relation of employer to employee, worldliness and indifference both inside and outside of the church, the Centenary and the present program of the church to better and make great the kingdom of God make a defense, afford an excuse, or awaken enthusiasm according to our ability to lay hold of the character of God and practice the Sermon on the Mount.

The financial depression has seriously interfered with our Centenary program and in some cases made the work of the local support of the ministry difficult. However there has never been a time when the full gospel stated and interpreted under the guidance of the Spirit of Truth has had a more sympathetic hearing.

#### THE CENTENARY

Even though the Centenary collections drag, there is a general spirit of loyalty to this part of the church's program. The need of the program, the life giving missionary spirit it includes and the appeal for service have awakened motives that will never die.

#### GOODING COLLEGE

This institution continues to increase its hold on the sympathy and financial interest of the district. We are glad to report a large increase in the dollar per member offering over that of last year. Our ambition is to see this sum increased until the full quota is reached. In this day of intense organized activity in matters of education as well as in business, the personal appeal for students reaches to the smallest charge. We should as pastors be alert to see that our young people have an opportunity to know about and to attend our own schools. Human nature responds to information and appeal and in this way only can our college secure the support it ought to have.

### HOSPITALS

The hospitals of the church are receiving more attention than ever. Protestantism has not been awake to this kind of service as it should be, we are glad to know that our own denomination is beginning to realize the importance of this branch of christian service.

### BUILDING ENTERPRISES

Though there has been unusual financial depression we have completed or have in process more church building projects than at any other time during the Centenary period. During the year our church at Glenn's Ferry has completed a modern parsonage. Our church at Appleton was moved to a new location, a basement was put in for community activities, and is now a splendid representation of the service a church can render to the community. Homedale has moved the church to a better location, put in a basement. The inside work is not all complete, as yet. At Ontario Henry Young continues the good work begun by Brother Luscombe, the foundation has been pushed. The building will be of brick veneer of an attractive kind. The work is halted at the present time. There is no indebtedness. At Dietrich we have taken over and remodeled a large hotel building which when finally finished will cost approximately three thousand dollars. This will give us a church, Sunday school accommodations and a community centre with recreational features which if built anew would cost between ten and fifteen thousand dollars. At Nampa the first unit of the fifty thousand dollar church is nearing completion. This is a splendid modern church plant including Sunday school rooms and gymnasium. The building is of Boise sandstone.

### RELIGIOUS EDUCATION

One of the outstanding features of church work was the summer vacation Bible school among the Boise Churches. The enrollment reached approximately eight hundred. We hope that next summer will find more of our pastors alive to the opportunities of this work among the young.

### REVIVAL MEETINGS

There has been a good response to special meetings of this kind. We believe the day has not passed for the revival, if it be conducted in a way to hold the sympathy of the intellectual life of the community and under the real leadership of the spirit of Truth. At Nyssa, Caldwell, Nampa, First Church and Immanuel, Boise, good results and a large ingathering has been reported. Other churches have reported increases in the ordinary ministrations of the Word.

### MINISTERIAL SUPPORT

We are sorry to say that ministerial support on account of the financial stringency and in a few instances because the matter was not taken up as promptly and as efficiently as it should be has not always been up to standard.

On account of the shortage in the Centenary collections which has reduced the missionary appropriations of the district one third, the problem of financing missionary charges will be puzzling. By combining charges into two point circuits we hope to adequately maintain ministerial support. Pro rating has been more generally observed this year both as to amount and time of payment. Let us not forget brethren that the different divisions of our ministry either rise or fall together. The success of the church is dependent upon the support of all these divisions. We play the game better and feel better when we share with each other the material success or failure.

### DISTRICT MISSIONARY SOCIETY

At the last District Conference there was organized at Boise a district missionary society as the smaller unit of our conference Board, the purpose of which is to survey the Missionary field of our district and to promote missionary intelligence and cooperation among the churches of the district. The membership fee is one dollar a year. We solicit the membership and cooperation of every minister and layman in the district.

During the year the District superintendent has tried to fill the office of a superintendent and give his time and energy where it is most needed. It would be a great pleasure to visit some of the charges more frequently if time would permit. They that are well do not need a physician but they that are sick. Count it but a compliment brethren that you do not see the superintendent as often as you desire and as often as he would like to come. Remember of course that he is always glad to render assistance whenever and in whatever way possible. We want to express our gratitude to the brethren of the district for their splendid christian fellowship and cooperation without which the progress of the kingdom would be impossible.

## LA GRANDE DISTRICT

*Ira R. Aldrich, Superintendent*

If 1921 was a year of financial depression and unrest, 1922 has been thus far a year of anxiety and distress. The churches in their reports will reflect to some extent depressed economic conditions. The church in its message may not affect the social tone, but certain it is that the social tone immediately affects the churches. The effects of the railroad strike and the eight months suspension of the lumbering industry will also be seen in a shrinkage of the munitions of our advance.

While the church is not responsible for economic disturbances, except in a very remote degree, they do have a very painful bearing upon our success. However the faith of our ministers and our people has been undiminished, and their devotion to the cause has been evidenced by much self-denial and sacrifice.

Some charges will show embarrassing financial deficiencies, some have made encouraging gains over last year, and a few have made remarkable advance. Baker City records a distinct achievement in meeting completely a budget almost double that of last year. Payette, Joseph, Enterprise, Union, Island City, Fruitland and Garden Valley circuit are taking advance ground for the coming year.

It is a distressing co-incidence that the wives of eight of our pastors have been stricken with serious illness during the year. I am glad to report however that all now appear to be on the way to complete recovery. Death has entered but one of our parsonages, that of Brother and Sister Lines at Imbler. We can but mingle tears with those we love and share their grief, then turn our faces to the sunlight of another day.

Brother Jas. Leitch served a ten months year at Island City, and then resigned to take his invalid wife to her old home in Michigan. Brother and Sister N. E. Hershey carried on an aggressive campaign on the John Day circuit for nine months, both of them preaching every Sunday, but Mrs. Hershey was unable to stand the strain, and they have sought rest and health in their native state of Oklahoma. Brother Lines resigned his Pastorate at Imbler in May and for two months served effectively as District Evangelist.

While our ranks have been thus somewhat broken, the reports will show most of these churches to be in fair condition.

On account of the serious decrease in our District allotment of Missionary funds as indicated by the Provisional Program for 1923, our difficult frontier work at Long Creek and Sumpter may be discontinued for a year.

## BUILDING ENTERPRISES

In July Bishop Burns assisted by Dr. Ewing and Brother Todd the pastor, dedicated at Fruitland what is probably the most completely equipped modern church plant costing under \$25,000 to be found in the Conference. The project, including the remodeling of the bungalow parsonage, cost a total of 13,500 dollars.

A more pretentious building project is making satisfactory progress at Emmett. The original auditorium has been entirely remodeled with improvements, including a new balcony and new lighting system, and decorating costing \$1700 all paid for. The alterations have incidentally entirely remedied the bad acoustic condition which formerly prevailed, and now you can hear

the proverbial "pin drop." The project also includes a large addition 45x65. This will give the church a splendid gymnasium, and adequate facilities for Sunday School and community work. \$6,990 has been invested thus far, and the people of Emmett are behind this ambitious enterprise.

Payette, through the bequest of Mr. Peter Pence, has come into possession of a splendid brick parsonage, valued at about \$4000. For this acquisition, the pastor, Clyde Walker, is entitled to much credit.

A delightful modern little parsonage has been completed at Horseshoe Bend. This frontier circuit which was but a dream two years ago, has come into vigorous existence, thanks to good seed sown in the heroic past.

Haines built a neat little addition upon their church-building costing about \$750, the finances of which were largely handled by the Epworth League.

Wallowa, Island City, Baker and Sweet have made substantial additions to the furnishing of their parsonages.

#### CAMP GROUND

We have at last really acquired title to 110 acres of beautiful camp-ground at the head of Wallowa Lake. This is by far the best site for such a purpose in Eastern Oregon, and is by many considered to be the best ground available at Wallowa Lake. The Epworth League Institute camped upon this spot this year, and all agreed that it was the best Institute in spirit, more representative of the District, and larger in attendance than ever before. Several are planning to build cottages upon the ground this fall.

The Eastern end of the District was well represented at the Ore-Gem Institute, and a Committee was raised to look into the feasibility of securing permanent grounds at Smith's Ferry.

#### EVANGELISM

Brothers E. J. Huston and N. H. Lines served respectively as District Evangelist during the year. Meetings were in progress about seven months. Much good was accomplished. Dr. E. J. Bulgin was brought to Baker City in the fall by the united protestant churches and the city witnessed the greatest religious awakening for many a year.

#### YOUNG PEOPLE'S WORK

Four years ago we had ten Epworth League chapters; now we have twenty-one. Then we had two active Junior Leagues now we have twelve. At Fruitland we also have one of the leading Christian Endeavor Societies of the state, and also a strong Intermediate society. We make no mistake in cherishing these tender lives.

Aside from two necessary trips to Rochester in behalf of a daughter, the Superintendent has given his entire time to the interests of the District, traveling in snow, mud, dust and heat, by train, stage and horse-back, wherever duty seemed to call. He has held 56 Quarterly Conferences. Seven were held by Brother Pastors at his request, and a large number of visits have been made to the points on the District. He conducted the Morning Watch at Wallowa Lake Institute, the Class in Epworth League Methods at Smith's Ferry, preached 108 times and delivered a number of other addresses. The work is arduous, sometimes perplexing but never grievous.

#### FELICITATION

In just a word let me say thanks to all those good friends, clergy and laity, who have shared my burdens and anxieties, extended radiant hospitality, cheered the dark hours and smoothed the rough places in the road for me. Mid such a host who could ask for more than opportunity and strength to labor on.

#### POCATELLO DISTRICT

*J. E. Baker, Superintendent*

*Dear Brethren of the Conference and Bishop:*

Years, even as men and women, have individuality and the year through which we have passed, has been distinctive in more ways than one. It has

been a year of financial readjustment for the world and the church has not gone without its readjustment as well. Throughout the year our people had a continual outlay from exchequers already depleted. Consequently there was very little to meet their own personal needs and to provide for the work of the Kingdom.

Early in the year many pastors realized this condition. Yet with but a single exception, the men have loyally stayed on their jobs and accepted the sacrifice. If any proof is needed of the efficacy of our connectional system of church government over other systems, it may be found in our pulpits, happily supplied with pastors, while the pulpits of other denominations, by the scores are vacant.

#### BUILDING AND IMPROVEMENT

We have been able to "carry on" to some extent. We have completed the basement of the church at Buhl and covered it with a temporary roof. We have built a substantial addition to the church at Ashton. We have purchased a parsonage at Shelley and completed the church at McCammon and modernized the parsonage at Aberdeen.

#### EVANGELISTIC EFFORTS

Early in the spring we were able to secure a small sum from the Board of Home Missions. Floyd K. Riley was put on the District as District Evangelist. He held meetings at Salmon, Ashton, Heyburn and Mackay. The pastors report him a blessing to their fields.

#### PASTORAL SUPPLY

At the opening of the conference year we had four charges left to be "supplied." For all these charges we have been able to find pastors and for two other charges that became vacant during the course of the year. It is with some satisfaction that we point to the fact that every charge is now supplied. Western superintendents labor under a distinct disadvantage over superintendents in closer proximity to our theological schools. We need men with modern methods, and modern training.

#### CONFERENCE INSTITUTIONS

Gooding College, Gooding Hospital and Bristol Park at Lava Hot Springs.

Gooding College this year has enjoyed the largest enrollment in the history of the school. At the present time, work has been resumed on the new building. A portion of it will be made available for the next school year. The substantial aid of the Board of Education of approximately \$10,000 this year has been of exceeding great value to the school. The continuation of this aid is going to depend on our willingness to help ourselves as far as we can. The Board of Education helps those who help themselves. Our attitude toward the dollar per member in our own conference and the Children's Day offering is rather carefully noted by the Board of Education.

Gooding Hospital the last institution to be acquired by the Board of Trustees, located a few blocks from the school, has made a remarkable record.

As to Bristol Park, we regret that our report can not be so glowing. While it is true that we have not been running a deficit this summer, we have not been doing very much of anything else. If our Methodist people who visit Lava would patronize our own institution, it would help some. As we see it, we can never hope to do much at Bristol Park, until we have a permanent building and are prepared to take care of the really sick folk who come there for the treatment the healing waters afford. There is a place for a real hospital sanitarium at Lava Hot Springs.

#### INSTITUTES AND CONVENTIONS

In October we had our Rural School for pastors at Gooding. The attendance this year ran to 46. If the scope of the school could be enlarged to embrace the more varied interests of the church, its usefulness to our conference could be increased.

The District Conference met at Pocatello in February, with the Bishop and Dr. Mecklenberg present. The outstanding feature of the year was our Epworth League Institute in the Wood River Country. About 200 were on the grounds and 104 certificates were issued to students taking full time work. Our young people are enthusiastic for the Institute and are already planning for next year.

#### WHITE CROSS

Last year our annual report contained an announcement of the White Cross which was just then being organized throughout the district by Dr. Edington. During this year, the movement has been extended to the other districts of the conference. The returns from the White Cross have not been so flattering as we might have hoped.

#### WOMENS WORK

If there is any activity of the church that seems to enjoy a perennial existence, and to thrive in spite of hard times, it is the Ladies' Aid Society. Many a little church owes its survival at this present moment to the splendid Ladies' Aid organization thruout the district. The Woman's Home Missionary Society met this year at Burley and perfected a district organization of this society. Both the W. H. M. S. and the W. F. M. S. have had national workers in the field this year and have established a number of local auxiliaries.

#### PERSONAL LABORS

In a general way, we would say, we have held from two to four quarterly conferences in every charge. Have made some unofficial visits that were sometimes more important than the quarterly conference; have assisted some in revival meetings, preached eighty-seven times. Have met with other representatives of the Northwest at Spokane in the interests of Kimball School of Theology. Dedicated one church and raised the finances; acted as chairman of the Hospital Board at Gooding in its monthly meetings and as secretary of the Board of Trustees of Gooding College.

For the hospitality of the pastors and their better halves, the splendid laymen who have entertained me and the co-operation of my brethren, I give praise. It has been a six years long to be remembered. "It is a great life, if you don't weaken," "Come in fellows, the water is fine."

OBITUARY

---

The Rev. C. D. Fawcett was born in Belmont Ohio November 12th 1850. At the age of Four years his parents moved to Fairfield Iowa. In 1873 he entered the Iowa Wesleyan University at Mt. Pleasant, Iowa, and after two years of study, took work in the ministry in the Iowa Conference. He faithfully served charges in the Iowa, Des Moines and Kansas conferences, after which he transferred to the Idaho conference and was stationed at Huntington, Oregon. Failing health soon compelled him to retire and he moved to Milwaukie, Oregon, where with his wife he lived until on June 15th, 1922, he fell asleep at the age of 71 years and 6 months. During the later years of his life he preached as opportunity afforded and continued to refresh his mind and soul by the reading of good books. The last few years he was a great sufferer, which he endured with christian fortitude. The funeral services were held in Tacoma Avenue Methodist Episcopal church Milwaukie and the body laid to rest in the cemetery near by. He leaves his wife and one daughter.

---

Mrs. G. P. Pemberton passed to her reward from her home in Hood River, Oregon on December 15th, 1921. She was born in Scio, Oregon, March 2, 1872. On August 20th, 1901 she was united in marriage to the Rev. George P. Pemberton.

She leaves her husband, two sons and two daughters. She was faithful to her calling as a christian wife and mother, living a self sacrificing life, ministering in the Masters name wherever and whenever any opportunity afforded, and was a real associate with her husband in all good works in the Ministry. At the last she constantly quoted that comforting scripture "In as much as ye have done it unto one of the least of these my brethren, ye have done it unto me," and that line of the poet which affirms confident trust in God—

"I know not where His islands lift their fronded palms in air,  
I only know I cannot drift beyond his love and care."

---

Mable Irene Lines, daughter of Newton H. and Olive Lines, was born March 23rd, 1905 at Osage City, Kansas, and died September 10th, 1921. She united with the church at the age of eight years. At the time of her death she was a teacher of a class of girls in the Sunday School at Imbler where her parents lived.

## REPORTS OF COMMITTEES

### AGGRESSIVE EVANGELISM

Living as we do in the heart of the great Northwest, the ranking pioneer field now remaining in the United States, it behooves us as a unit of the missionary Church to agonize in the most intensive and aggressive program of evangelism we have ever undertaken. With the responsibility weighing heavily upon us of Christianizing the lumber camps, the mining towns, the railroad shops, the far settlers of dust-swept prairie and mountain recesses, and the steadily increasing complexion of Indian, Mexican, and Japanese in our midst, we believe the whole future of the Northwest hinges upon the sober evangelistic achievement of the Church.

It is almost trite to suggest that new methods must be put into operation in order effectively to meet new conditions. Let us face the challenge and square ourselves to launch a program with a vast and enlarged objective for the Kingdom.

We recommend these items for your study and consideration:

(1) That we shall strive to conserve that stream of restless humanity that is yearly lost to the Church.

(2) That every pastor shall organize his people into units with a determined program of intelligent evangelism that shall manifest itself through personal prayer and work;

(3) That each Sunday School shall enlarge its Decision Day into a week of urgent decision somewhat similar to the League's Win-My-Chum week, thus taking advantage of the largest evangelistic opportunity of the Church, the religiously taught child; and

(4) That every pastor and people shall look forward to some definite period of harvest-gathering.

FLOYD K. RILEY, *Chairman.*

### AUDITING COMMITTEE REPORT

We, the Auditing Committee of the Idaho Conference have examined the accounts of the District Superintendents, the Stewards, the Conference Claimants, Endowment Commission, the account of the Treasurer and the White Cross and find them correct.

ROBT. C. LEE,  
EDWIN DEACON.

### BIBLE CAUSE

We believe the Bible to be the only sufficient rule for our faith and practice. We believe that we should emphasize its use to a greater extent in our Sunday Schools and public services.

We also express our belief that it should have a place in our Public Schools, and that its use should be a part of the daily program.

We urge our people to read a portion of the Word in their homes each day for family worship.

We express our appreciation of the American Bible Society in its efforts to furnish to all people the Word of God in the language they understand, and pledge to it our sympathy and co-operation.

A. W. JAMES.

### STATE OF THE CHURCH

We define the church as the human embodiment of the mind and will of the Christ.

As such, we recognize it as primary and fundamental.

Among the perils of the Methodist Episcopal church in our day are:

First, Divetus; which we define as the binding of the spirit of pioneering in human liberty and human welfare by subserviency to traditional forms and the greed of entrenched privilege.

Second, Moribundity; viz, asleep to the world social conditions as related to the leadership of the spirit and teachings of Jesus Christ.

Among causes of thanksgiving by this same church are:

First, that God has multiplied its efficiency through the inspiration of the Centenary movement.

Second, that the church has the opportunity to exalt the Christ in the reconstruction of a broken world.

Third, that all lands and people so largely feel the inadequacy of purely physical and intellectual leadership, and are therefore ripe for the spiritual leadership of Jesus Christ.

F. I. POAGE.

W. A. WINTERS.

### COMMITTEE ON EDUCATION

Believing that there is great promise for religious education in the Daily Vacation Bible School, we urge hearty co-operation, on the part of our people with other religious forces in this very important work.

We appreciate the continued support of secretary A. W. Harris and the Board of Education.

We pledge ourselves to observe Education Day on or before Easter Sunday, and on that day ask an offering for public education; our aim being to seek contributions of at least one dollar a member, the same to be sent to Gooding College without delay to be used toward current expenses.

Appreciating the great need of the men's dormitory, at Gooding we pledge ourselves to do our best to secure funds for its speedy completion.

We endorse the advanced program for the training of christian leaders in the Kimball School of Theology.

We recommend the continuation of the commission created last year for further consideration of the consolidation of Kimball School of Theology and the Northwestern Training School of Seattle.

We recommend the election of Elmer Grant Keith for trustee for two years, and of E. C. S. Brainard as trustee for one year, and of Joseph Chester as conference visitor.

We recommend that all our preachers continue their process of education by the reading of the best books obtainable, and the attendance at one of the schools for Pastors under the Board of Home Missions.

We recommend that a committee on Post Graduate Work be appointed consisting of: The Chairman and Registrar of the Board of Examiners, and the Director of the Pastors' School held annually at Gooding College.

(Signed) G. H. QUIGLEY.

### THE CONFERENCE CLAIMANT'S ENDOWMENT COMMISSION

Money invested in first class mortgage farm loan is \$2,000.00. One half of this is an annuity on which we are paying interest at the rate of five and a half per cent so long as the annuitant shall live. The entire loan bears interest at the rate of seven per cent. Net earnings on this loan for the year ending September 1st, 1922 is \$85.00. Money on hand in the savings department of the First National Bank of Idaho is \$82.81.

But little has been done during the past year in the way of publicity, and no money has been expended in it.

We make the following recommendations:

1. That our ministers each preach at least one sermon annually before our congregations in which they shall set forth the claims of the retired ministers.

2. That we keep an attitude of alertness among all our friends in the interest of helping our people, to honor this cause with their means by the annuity and other plans.

3. That we seek to build up the Permanent fund of the Conference by every right and reasonable means possible.

JOHN W. FLESHER, *President*.

---

### EPWORTH LEAGUE

The place of the Epworth League in the life of the young people is so important that we desire to call the attention of the pastors to their opportunities and obligations in reference to the young people of our various charges. We wish to emphasize the value of the Institutes in building up our leagues. The fact that about four hundred young people registered in the three institutes this year and that many signed the life service cards is an index of the far reaching influences coming from these Institutes. We wish to thank the men who with self-sacrificing zeal have served so effectively on the Institute faculties this year. We are glad to note that Wallowa Lake has secured a permanent location and hope the time is not far distant when the other Institutes may follow. We ask a continuation of the Conference Commission of League Institutes. We commend our Leaguers to Gooding College and especially bespeak their loyalty to pledges made by each district in furnishing funds for the purchase of laboratory equipment for Gooding College.

Committee:

H. G. McCALLISTER,

---

### COMMISSION ON FINANCE

We recommend First. That the salary of the District Superintendents shall be an amount equal to 10% of the cash salaries of the pastors, not including missionary money or house rent.

Second. That the salaries of the District Superintendents shall be equalized and prorated: but this shall apply only to the extent that the Superintendent of each District secures the prorate from the charges of his district.

Third. That the duties of the Commission on Finance shall be to bring before each pastoral charge the obligation to prorate regularly all ministerial monies, the Pastor and District Superintendent to receive their salaries monthly, and the amount for Conference claimants and Episcopal fund to be paid at least, Quarterly.

G. W. BARNES, *Chairman*.

### BOARD OF HOSPITAL AND DEACONESSSES HOMES

Caldwell, Idaho, Sept. 7, 1922.

At a meeting of the Board of Hospitals and Deaconesses of the Idaho Conference held this date. The following action was taken.

First, A motion requesting the Bishop to appoint Miss Emily Cummins of Twin Falls, Idaho to the Gooding Deaconess Hospital carried.

Second, It was also moved and carried that the Bishop be requested to Transfer Miss Flora Shapland of Great Falls Montana into the Idaho Conference and appoint her to the Gooding Deaconess Hospital.

Third, A motion in commendation of the work of Miss Jane Gray for her able administration of the work as Superintendent of Gooding Deaconess Hospital heartily and unanimously carried.

H. W. PARKER, *Chairman*.

## HOSPITALS

There is great need of well equipped christian hospitals in all parts of this and other lands. The gospel of Christ for the body and mind is as much needed as the gospel to the soul. The two expressions of the good news and good doing of the gospel must go hand in hand. Let us stand by the Hospital at Gooding we have had providencially placed in our care. Let us, if we must patronize a hospital, carry our sick to those under the control of Protestantism. St. Lukes in Boise should at all times have preference over the other and larger institution in the same city. We should explain the situation to our people and encourage them to direct those in need of hospital service to those institutions where the gospel beginning at Jerusalem is upheld rather than to those under the direction of him who sits in power on the Tiber.

W. W. VAN DUSEN, *President.*

## FOREIGN MISSIONS

Foreign Missions and the Centenary are very closely allied. If the Centenary measurably fails the cause of Foreign Missions also fails. Let us stand by the former and make it impossible to fail and the cause of missions will not fail. Let us raise up young men and women, spirt filled who stand in readiness to go into all the world to preach the gospel.

W. W. VAN DUSEN, *Secretary.*

## REPORT OF THE COMMITTEE ON HOME MISSIONS

We desire to call your attention to the statement in the Superintendent's reports that the Idaho Conference is home missionary territory and that many charges could not exist without aid, therefore be it

*Resolved*, that every minister urge the payment of Centenary pledges in full.

B. F. MEREDITH, *Chairman.*

## SOCIAL SERVICE

One of the greatest problems confronting the church is the carying out of a constructive social service program. The church must assume its rightful place of leadership in the welfare movements of today. We are not unmindful of the recreational needs of our people, and to that end the church should lead in providing recreational facilities for the children of its own community. We therefore endorse the aims and purposes of the Public Welfare Organization, and pledge our cooperation and support in the work of obtaining state standardization of moving picture films and proper regulation of the play life of the children and youth.

We also commend the excellent work done by the Idaho Home finding Society in caring for the unfortunate children of our state, and greatly appreciate the careful, painstaking superintendency of Dr. J. W. Flesher.

VALENTINE DEICH, *Chairman.*

## SUNDAY SCHOOL

The Sunday School is the most fertile field of the Church.

The greatest work that God gives to men and women is the training of the mind, body and soul of a child. The Sunday School is the hope of the future Church.

To neglect this field spells failure. To cultivate it means the salvation of the world.

Jesus Christ loved the children. He took them in his arms and blessed them and said, "Of such is the kingdom of God."

Preachers, it is our business to keep them in that kingdom, that they might be like our Christ, who grew in stature, wisdom, and favor with God and man.

G. R. ARCHER, *Secretary.*

The only hope at present for Bristol Park and the Hospital, is the White Cross Movement. We recommend that the District Superintendents encourage the organization of White Cross on every Charge, and that the pastors be requested to include the White Cross in their Quarterly Conference reports.

The Board of Trustees recommend that the conference permit District Superintendent of the La Grande District to sell the property known as Bramwell Chapel and to use the proceeds in the remodeling of the Wallowa parsonage.

The Board also recommends that the conference permit District Superintendent of the Boise District to use the funds remaining from the sale of the church at Jentura, on the Harper Circuit, after all debts are paid, at Dietrich, Idaho.

## REPORT OF THE COMMITTEE ON GENERAL RESOLUTIONS

We, the members of the Idaho Conference, cannot begin to number the blessings we have received during this session of the Conference, nor refrain from expressing our deep and abundant gratitude to the Methodist people, and friends for the generous manner in which we have been received. The homes have been thrown wide open and nothing has been spared for our comfort. The Ladies Aid has been unstinted in its endeavor to make our stay pleasant. All the departments of the church have bent every energy to make our Conference a success.

The people of the city, the Rocky Mountain Quartett, the Orchestra, Prof. Beal, the press of the city, the Kiwanis Club of Caldwell, whose banquet guests we were, as well as our own Mrs. Winters and Brother Meredith have cheered our hearts with their contribution to our joys.

We express our appreciation for the kind welcome extended by other churches. We are sure this expression of fraternity has contributed to our pleasure. Nor would we forget the words of welcome from the honored mayor of Caldwell.

Pastor B. G. Hankins, with his genial, tireless endeavor, won a place in our gratitude, for his complete mastery of the art of entertaining.

Our presiding Bishop, Charles L. Mead, D. D., LL. D. brings his "wisdom from afar." His fruitful labors and rich experiences gathered from a fruitful pastorate enabled him to bring us enthusiasm and zeal at a time when depression would not seem far away. We record our appreciation of his intelligent and brotherly administration, his helpful addresses and unselfish devotion to the Master's work during his days in our midst.

C. O. HEATH,  
HALL K. WALLIS,  
J. H. ROSS.

### PUBLIC WORSHIP

This age which seems to be indifferent to things religious, the half hearted way in which many people come into the house of God, and the irreverence manifested toward the place of worship.

We recommend that our places of worship be made attractive, our services interesting and our worship be of the spiritual and inspirational as well as intellectual sort—that those who are on the outside may look upon the inside with a sacred solicitation for the evidences of Christian faith and practice.

We recommend further, for the sake of uniformity, that in all our churches, the Order of Public Worship be that suggested by the Discipline.

HENRY YOUNG, *Chairman*.

### RESOLUTION CONFERENCE MINUTE FUND

Whereas, the high cost of paper and labor makes the publication of our minutes more and more of a burden, and that we may have a more adequate and equitable plan for obtaining our minute fund, therefore be it

Resolved, That in the future it shall be the policy of this Conference to exact a tax from each effective member of the Conference equivalent to one-fourth of one per cent of his cash salary including missionary money but not house rent.
